have already done this simple & - I
had a lot of trouble with this simple & - I
gathered a lot of information (in detail) about the discussion
and about the 29,000 that no other
could be a problem & spend the discussion
date will be in the 29,000 that no other
part settlement arrangement a
mediation with chambers for
the first or second
March

Endorsement:

Sorry but you have already had close to 6 months at this simple and I gather relatively small (in dollars) audit - I will adjourn and extend the discovery cut-off to February 29, 2008 but no other dates will be extended (see PTSO) and failing settlement arrange a mediation with Chambers for the first or second week of March.
